

INTERNATIONAL HUNTING

Hunting Services

África

The African continent is a unique experience for all hunters and a must-go destination that shouldn't be missed. At **Huntser**, we strive to help hunters worldwide realize their dream of hunting in Africa by offering safaris that are adapted to the standards of our most demanding clients.

Depending on what species are being sought, we have **exclusive rights to the most prized estates** in Mozambique, Tanzania, Botswana, Namibia and South Africa.

Argentina

This country is a **small game paradise where you can enjoy no-limit shooting** of a wide variety of ducks, doves and geese.

Huntser offer a variety of one-week packages that include 5 days of shooting at Rufino, an area located at the Southwestern tip of the Santa Fe region, which borders the province of Cordoba.

HUNTSEr

Hunting Services

Huntser offers an authentic hunting experience in the best **national** and **international** hunting reserves.

We provide tailor-made hunting activities and we are highly committed to our clients while adapting our services to their needs: **Managing estates, partridge drives, stalking, Spanish montería and unique safaris.**

MANAGING ESTATES, PARTRIDGE DRIVES, STALKING, SPANISH MONTERÍA AND UNIQUE SAFARIS

DRIVEN RED LEG PARTRIDGE

Hunting Services

The red-legged partridge is Spain's most sought-after small game hunt and at **Huntser** we specialize in maintaining the essence of this traditional hunt while scrupulously attending every little detail surrounding this event. This year we continue to offer this service in the **most exclusive and representative estates** of Madrid, Castilla La Mancha and Andalucía.

Huntser offers unparalleled red-legged partridge and personal service, ensuring a quality that will satisfy the most demanding clientele.

ROE DEER & SPANISH IBEX

Hunting Services

Roe Deer

Huntser has access to the best estates in Spain for roe deer. Distributed among the provinces of Soria, Guadalajara and Teruel, the areas jointly have **more than 100 permits and 25,000 hectares of ideal hunting grounds**. With high density and trophy quality, client's are guaranteed a high success rate of obtaining their desired results.

Spanish Ibex

Huntser works exclusively with the best private estate annexed to the Gredos National Reserve, where each year **we hunt spectacular trophies at a fixed price that easily surpass the requisites of a gold trophy**. This year we've expanded our area to include three new estates neighboring the Muela de Cortes in Valencia, totaling 12.000 hectares.

Trophies can be found here at very competitive prices.

STALKING & SPANISH MONTERÍA

Hunting Services

Stalking

Huntser have exclusive access to a private estate located only 45 minutes away from Madrid where we can **guarantee the chance of encountering spectacular red deer, fallow deer and mouflon**.

We also have access to 8.000 hectares of open states next to the famous Riaño Reserve where you can hunt red deer, wolf, and chamois.

Spanish Montería

Our philosophy at **Huntser** is to adapt the driven hunt to suit our client's expectations, so that they **fully experience this uniquely traditional spanish hunt**.

Our expert team of beaters, hunting dogs, secretaries and catering remain at you full disposal, ensuring a truly authentic montería.
